Dear Parents, Carers, and Staff

The Board of Trustees announces the retirement and end of current employment with CEO, Dr Kim Taylor OBE. We take this opportunity to express our gratitude for Kim's achievements after her unbroken period of 19 years of dedicated service with the Trust. We celebrate her wider career and impact of over 45 years in special education and Inclusion and the knowledge and experiences with local, regional, national and International partners she brought to our Trust.

We recognise Kim's immense achievements creating the foundation of our Trust and the expansion of special education provision to support our children and families in our local area. Often that work, especially through the Covid pandemic which created a high level of challenge, ensuring our building programmes all remained on time is a reflection of Kim's determination to provide the best possible provision for local children and parents.

In her retirement, Kim extends her very best wishes to children past and present and their parents and carers.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mark Williams', with a long horizontal flourish extending to the right.

Mark Williams

Chair of Trustees, Horizons Education Trust
